Amends the School Code. Creates the Professional Teacher Standards Board consisting of 11 members appointed by the Governor to administer the Article of the School Code governing the certification of teachers and other certificated school personnel and the approval of teacher and administrator preparation programs. Gives the Professional Teacher Standards Board all powers and duties currently exercised by the State Board of Education and the State Teacher Certification Board with respect to administration of the certification and program approval process, and abolishes the State Teacher Certification Board. Authorizes the Professional Teacher Standards Board to employ an Executive Director and such other staff members as are necessary to exercise its powers and duties and carry out its functions. Provides that a Standard Certificate may be renewed based on proof of professional development (instead of on proof of continuing education or professional development). Makes other changes. Effective July 1, 2003.

Fiscal Note (Department of Revenue)

There would be some administrative costs for the State of an unknown amount and would not generate any State funds.

Fiscal Note (S-AM1) (Dept of Commerce and Community Affairs)

No fiscal impact on DCCA. The extent of fiscal impact on local governments cannot be determined.

Senate Floor Amendment No. 1

Adds reference to:

705 ILCS 105/27.3b

SB 1605 (CONTINUED)

Deletes everything. Amends the Fiscal Note Act and the State Debt Impact Note Act. If a bill authorizes the issuance of Bonds, requires the Governor's Office of Management and Budget to prepare a fiscal note specifying the estimated total principal and interest payments required to be made by the State if the Bonds are issued, together with the total principal on all other then-outstanding Bonds of the State. Amends the General Obligation Bond Act and the Build Illinois Bond Act. In regard to Bonds issued under both of these Acts: (i) provides that the issuance and sale of Bonds under those Acts is a method of financing the long-term capital needs of the State (now, in the General Obligation Bond Act, the general operating needs of the State); (ii) requires all costs of issuance and sale of the Bonds, including, without limitation, underwriter's discounts and fees, to be paid from funds appropriated for that purpose (now, in the General Obligation Bond Act, authorizes the use of an amount not to exceed 0.5% of the principal amount of the proceeds of each Bond sale to pay the reasonable costs of issuance and sale of the Bonds and, in the Build Illinois Bond Act, shall be paid from the proceeds of each Bond sale); (iii) prohibits the issuing authority from contracting with any underwriter, bond counsel, or financial advisor without certification that the underwriter, bond counsel, or financial advisor has not and will not pay a contingent fee to any party for having promoted the selection of the underwriter, bond counsel, or financial advisor for that contract; (iv) provides that Bonds must be payable within 25 (now, 30) years from their date; (v) provides that Bonds must be offered for sale with principal or mandatory redemption amounts in substantially equal amounts, with the first maturity offered for sale occurring within the fiscal year in which the Bonds are offered or within the next succeeding fiscal year, with Bonds offered for sale maturing or subject to mandatory redemption each fiscal year thereafter up to 25 years; (vi) requires Bonds to be sold pursuant to notice of sale and public bid, except, if more than half of the proceeds of an issue of Bonds to be offered for sale is expected to be used for refunding purposes or if more than half of the principal amount of Bonds is offered for sale with a variable rate, then the entire issue of Bonds may be sold pursuant to negotiated sale; (vii) requires the Director of the Governor's Office of Management and Budget to comply with certain competitive bidding and selection procedures; (viii) requires all Bonds in an issue that includes refunding Bonds to mature no later than the final maturity date of Bonds being refunded; (ix) prohibits the offer for sale of refunding Bonds unless the net present value of savings to be achieved by the issuance of the Bonds is 3% or more of the amount of the Bonds to be issued; (x) prohibits the offer for sale of refunding Bonds expected to be refund Bonds under a refunding plan that would decrease the State's principal payments on all Bonds in the fiscal year of the issuance of the refunding Bonds or in the next succeeding fiscal year by more than 5% of the principal or redemption amounts due on all then-outstanding Bonds in the fiscal year next succeeding the fiscal year in which the refunding Bonds are offered; and (xi) requires certain "truth in borrowing disclosures". In the General Obligation Bond Act, removes language authorizing a Bond Sale Order to provide for a portion of the proceeds of the Bond sale to be deposited directly into the capitalized interest account of the General Obligation Bond Retirement and Interest Fund. Makes other changes. Prohibits the issuance of general obligation Bonds if, after the issuance, in the next State fiscal year after the issuance, the amount of debt service (including principal and interest) on all then-outstanding Bonds issued under the Act would exceed 7% of the aggregate appropriations from the general funds (which consist of the General Revenue Fund, the Common School Fund, the General Revenue Common School Special Account Fund, and the Education Assistance Fund) and the Road Fund for the fiscal year immediately prior to the fiscal year of the issuance, unless the Comptroller and Treasurer each consent in writing. Effective immediately.

State Debt Impact Note (Economic and Fiscal Commission)

Senate Bill 1605, as amended by House Amendment 1, would not affect the bonding authorization of the State, and, therefore, has no direct impact on the level of State indebtedness. The bill would restrict the use of General Obligation and Build Illinois bonding for long term capital needs only, would require competitive bidding for most bond sales and minimum savings from refunding bonds. This legislation would set limits on State debt, the maturity of bonds, and create greater transparency through disclosure of bond deals, from the Governor's Office of Management and Budget.

215 ILCS 5/356c from Ch. 73, par. 968c

Amends the Illinois Insurance Code. Adds a caption to a Section concerning the insurability of newborns.

Fiscal Note (Admin Office of the Illinois Courts)

As amended by HA1 & 2, will have no fiscal impact on the judicial branch of state government, however, reporting requirements imposed on the circuit clerks by section 305 of the bill and section 320 will have some fiscal impact on the circuit courts. The dollar amount of fiscal impact cannot be determined, because the scope of the reporting requirement is unknown.

Judicial Note (Admin Office of the Illinois Courts)

As amended by HA1 & 2, it may create a minimal increase in judicial workloads. However, the bill would not increase the number of judges needed in the state.

State Debt Impact Note (Economic and Fiscal Commission)

As amended by HA1 & 2, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore would not affect the level of State indebtedness.

Pension Note (Economic and Fiscal Commission)

As amended by HA1 & 2, does not amend the Pension Code and would not affect employees covered by any Illinois public pension fund or retirement system.

Housing Affordability Impact Note (Housing Development Authority)

Senate Bill 2241, as amended by House Amendment 1 and 2, will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

State Mandates Fiscal Note (Department of Commerce and Economic Opportunity)

Senate Bill 2241 (House Amendment 1 and 2) does not create a State mandate under the State Mandates Act

Home Rule Note (Department of Commerce and Economic Opportunity)

Senate Bill 2241 (House Amendment 1 and 2) does not pre-empt home rule authority.

Provides that a period of probation, periodic imprisonment, or conditional discharge may not be imposed for these violations.

New Act

Creates the Accessible Voting Technology for the Blind Act of 2004. Requires that the State Board of Elections ensure that the voting technology and systems throughout the State provide blind and visually impaired voters access and privacy equivalent to that provided to other voters. Amends the Illinois Enterprise Zone Act. Requires the owners of all businesses that want to locate in an enterprise zone to disclose all of their landholdings within the enterprise zone. Provides that refusal to make the disclosure rescinds all enterprise zone tax incentives provided to the business. Amends the Public Officer Prohibited Activities Act. 35 ILCS 130/2a new

Amends the Cigarette Tax Act. Provides that an equity assessment, in the amount of 25 mills per cigarette, is imposed on each package of nonparticipating-manufacturer cigarettes to which a person affixes a stamp or imprint as required under existing law. Provides that a "nonparticipating manufacturer" is a tobacco manufacturer that is not participating in the master settlement agreement entered into with respect to certain tobacco-related litigation. Sets forth payment procedures and penalties for violations. Effective immediately.

Senate Committee Amendment No. 1

Removes language that states that, except as otherwise provided, the assessment shall be collected, paid, administered, and enforced in the same manner as the tax on cigarettes under the Act.

House Amendment No. 1

Deletes provisions that one of the purposes of the non-participating manufacturer equity assessment is to protect funding, reduced by the growth of nonparticipating-manufacturer cigarette sales, for certain programs funded by payments to the State under the Master Settlement Agreement and to recoup settlement-payment revenue lost to the State as a result of nonparticipating-manufacturer sales. Requires the Department of Revenue to grant a credit to any nonparticipating manufacturer for annual amounts placed into a qualified escrow fund.

720 ILCS 5/24-1.7 new

730 ILCS 5/3-6-3 from Ch. 38, par. 1003-6-3

Amends the Criminal Code of 1961. Creates the offense of being an armed habitual criminal. Provides that a person commits the offense of being an armed habitual criminal if he or she receives, sells, possesses, or transfers any firearm after having been convicted a total of 3 or more times of any of the following offenses: first degree murder; aggravated battery; aggravated battery with a firearm; unlawful use of a weapon by a felon; robbery; armed robbery; residential burglary; home invasion; vehicular hijacking; gunrunning; intimidation; armed violence; criminal sexual assault; aggravated criminal sexual assault; predatory criminal sexual assault of a child; aggravated domestic battery; or any violation of the Illinois Controlled Substances Act or the Cannabis Control Act that is punishable as a Class 3 felony or higher. Provides that a violation is a Class X felony. Amends the Unified Code of Corrections. Provides that a prisoner serving a sentence for being an armed habitual criminal shall receive no more than 4.5 days of good conduct credit for each month of his or her sentence of imprisonment. Effective immediately.

Senate Committee Amendment No. 1

Provides that a person also commits the offense of being an armed habitual criminal if he or she receives, sells, possesses, or transfers a firearm after having been convicted a total of 3 or more times of aggravated battery with a machine gun or a firearm equipped with a device designed or used for silencing the report of a firearm, aggravated battery of a child, aggravated intimidation, or aggravated vehicular hijacking.

Senate Floor Amendment No. 3

Changes the new offense of being an armed habitual criminal. Provides that a person commits the offense of being an armed habitual criminal if he or she receives, sells, possesses, or transfers any firearm after having been convicted a total of 2 or more times of any combination of the following offenses: (1) a forcible felony; (2) unlawful use of a weapon by a felon; aggravated unlawful use of a weapon; aggravated discharge of a firearm; vehicular hijacking; aggravated vehicular hijacking; aggravated battery of a child; intimidation; aggravated intimidation; gunrunning; home invasion; or aggravated battery with a firearm; or (3) any violation of the Illinois Controlled Substances Act or the Cannabis Control Act that is punishable as a Class 3 felony or higher. Provides that a violation is a Class X felony.

Fiscal Note (Dept of Corrections)

This legislation would increase the length of stay for the offenders currently sentenced to prison for receiving, selling, possessing, or transferring a firearm, plus add offenders who currently receive probation or another community sanction under the current statutes. These enhancements would result in an increase of 1,423 inmates with \$245,455,700 in additional costs over the first ten years after enactment. However, these calculations are based on limited accessible data. Increasing the penalty to a mandatory prison sentence may result in a greater number of plea bargains to avoid a prison sentence. Estimates may vary depending on how cases are prosecuted and plea bargained. Therefore, the full impact of this legislation is unknown.

Correctional Note (Dept of Corrections)

SB2578, as amended by SA3, would result in an increase of 7,677 inmates with \$1,324,460,200 in additional costs over the first ten years after enactment. However, these calculations are based on limited accessible data. Increasing the penalty to a mandatory prison sentence may result in a greater number of plea bargains to avoid a prison sentence. Estimates may vary depending on how cases are prosecuted and plea bargained. Therefore, full impact of this amended legislation is unknown.

New Act

210 ILCS 85/7 from Ch. 111 1/2, par. 148

Creates the Hospital Discriminatory Pricing Reform Act and amends the Hospital Licensing Act. Requires every hospital to develop an "assistance to the uninsured" policy specifying how the hospital will determine the financial liability for services rendered to uninsured patients. Requires that the policy address charity care. Requires notice of the policy to patients. Limits debt collection activities by a hospital. Provides that a violation of the Hospital Discriminatory Pricing Reform Act may subject a hospital to suspension or revocation of its license. Also provides for civil penalties and for a private right of action. Effective immediately.

Senate Floor Amendment No. 1

Deletes everything after the enacting clause. Creates the Hospital Charity Assistance Act. Provides that every hospital (except a hospital that does not charge for its services or a hospital that is granted an exemption by the Department of Public Health) must adopt a charity assistance policy specifying how the hospital will determine the financial liability for medically necessary services rendered to financially qualified uninsured patients. Sets forth certain responsibilities of an uninsured patient as a condition of receiving charity assistance. Requires a hospital to make reasonable efforts to obtain from a patient or his or her representative information about whether private or public health insurance or sponsorship may fully or partially cover the charges for care rendered by the hospital to the patient. Provides that for at least 70 days after an uninsured patient's discharge, a hospital or its assignee or billing service shall not file a lawsuit to collect payment on the patient's bill, and imposes other limitations on a hospital's debt collection activities. In the case of a violation of the Act, provides for a hospital's plan of correction, the imposition of civil monetary penalties, and injunctive relief. Provides that nothing in the Act shall be used by any private or public third party payer as a basis for reducing their payment rates or policies, and imposes other limitations. Provides that a home rule unit may not regulate hospitals in a manner inconsistent with the Act. Amends the Hospital Licensing Act; provides for sanctions against a hospital for a substantial failure to comply with the Hospital Charity Assistance Act. Effective immediately.

Amends the Neighborhood Redevelopment Corporation Law. Provides that, upon approval of the governing body of a city, village, or incorporated town, after it complies with notice, hearing, and other requirements, the general real estate taxes on the improvements on real property of a neighborhood redevelopment corporation or its immediate successor in that city, village, or incorporated town shall be abated for a period not in excess of 10 years after the date upon which the corporation becomes owner of that real property. The tax on that property, however, exclusive of improvements, may continue to be imposed and collected but shall be frozen at the amount of taxes owed, or that would have been owed, for the property as unimproved in the year prior to the year it was acquired by the neighborhood redevelopment corporation. For the next ensuing period not in excess of 15 years, general real estate taxes on the property shall be abated in an amount not to exceed 50% of the taxes imposed by each taxing district. The parties may agree, by contract, to payments in lieu of taxes. After a period of not more than 25 years, tax abatements are eliminated. Limits the provisions to property located in St. Clair County. For St. Clair County, changes the Law with respect to what constitutes a "slum and blighted area", who may appoint members of the Commission and the number of Commissioners, and how certificates of convenience and necessity are approved. Amends the Property Tax Code to authorize the abatements. Effective immediately.

775 ILCS 5/1-103 from Ch. 68, par. 1-103

Amends provisions of the Illinois Human Rights Act. Provides that, for purposes of the Act, discrimination based on national origin includes discrimination based on the language spoken in the place in which a person or one of his or her ancestors was born. Effective January 1, 2005.

Fiscal Note (Department of Human Rights)

Minimal fiscal impact expected.

House Amendment No. 1

Adds reference to:

775 ILCS 5/7A-102

from Ch. 68, par. 7A-102

Amends provisions concerning the investigation of charges by the Department of Human Rights. Eliminates language providing that questions of credibility shall be considered in determining whether there is substantial evidence that an alleged civil rights violation has been committed. The provisions added by this amendment are effective immediately.

House Amendment No. 2

In the definition of "sex", provides that the terms "because of sex" or "on the basis of sex" include, but are not limited to, because of pregnancy, the perception of pregnancy, childbirth, or pregnancy-related conditions. Provides that persons with those conditions shall be treated the same for all employment-related purposes, including receipt of benefits under fringe benefit programs, as other persons not so affected by those conditions who are similar in their ability or inability to work.

Fiscal Note (Department of Human Rights)

As amended by HA1, no fiscal impact.

As amended by HA2, minimal fiscal impact, as the Department already takes pregnancy cases under the basis of "sex" discrimination.

Judicial Note (Admin Office of the Illinois Courts)

As amended by House Amendment 1 and 2, Senate Bill 3186 may increase judicial workloads. However, the bill would not increase the number of judges needed in the State.

Housing Affordability Impact Note (Housing Development Authority)

This legislation will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

State Debt Impact Note (Economic and Fiscal Commission)

As amended by HA1 & 2, would not change the amount of authorization for any type of State-issued or State-supported bond, and therefore would not affect the level of State indebtedness.

Pension Note (Economic and Fiscal Commission)

As amended by HA1, does not amend the Pension Code and would not affect employees covered by any Illinois public pension fund or retirement system.
